

Job Description

Job Title: Assessment Support Worker

Responsible To: Keyworker/s

Responsible For: N/A

Main role description: Safeguarding children placed at Tide House. Undertaking observations, direct and sessional work with families to inform professional parenting assessments of children and families.
All such work may become subject to the scrutiny of Family Courts and other agencies.

Principal tasks:

1. To carry out work that provides evidence for the assessment of Parents and Children being undertaken by Tide House, and to provide support as required, to parents in placement.
2. To prepare and submit accurate recordings of work undertaken in a timely manner.
3. To work within the specific needs and risk assessment procedures in accordance with Company requirements.
4. To observe professional boundaries in accordance with the terms and principles of the company Professional Boundaries Policy, whilst working with honesty and integrity within the assessment process.
5. To participate in such training as required by the Company and complete it in a conscientious manner.
6. To liaise with external agencies, as necessary, in a professional manner.
7. To attend meetings, and/or attend court when required to give evidence of work carried out, and recordings made of that work.
8. To be fully accountable to the families' Key Worker and management team.
